

POOLSIDE SUPERVISION RATIOS

The minimum supervision ratios for local single day activities for under 18 years of age, which includes a swimming event are two qualified supervisory roles (coaches/team managers) for up to 10 athletes. Thereafter the following table gives guidance for the numbers required.

No. of Athletes	Min. Supervisory roles	Min. number of Coaches (one qualified to Level 2 Coach)	Min. number of Team Managers (all TM 1 qualified)
Up to 10	2	1	1
20	3	1	2
30	4	1	2
40	5	2	2
50	6	2	3

The above ratios do not include any Chaperones assisting disability swimmers or those with additional needs which have previously been assessed by the club.

Clubs are required to ensure that all Coaches & Team Managers have the appropriate poolside accreditation. The names of those undertaking the above roles must be notified to the Promoter (promoter@leicestershireasa.org) 48 hours before each weekend of the Championships and any amendments after that date must be notified prior to the start of each session.
