LASA Age Group and County Championships 2025

Weekend 3 – 8th & 9th February at Braunstone L.C.

Preparing these words for inclusion in the County Championships Programme is my first involvement, as LASA President, of the 2025 event which is presented over the three weekends.

I looked up one definition of the word 'event'. "A thing that happens or takes place, especially one of importance".

The County Age Groups, and all swimming events throughout the year, are important. But all of it doesn't just 'happen'. People make it happen.

Some of those people appear on the poolside as team managers, officials, - I won't go on. There is a long long list and they all know who they are.

But in the background, there is also an unseen army of people who begin the preparations sometimes up to 12 months ahead. Booking pools, entries handling, computer wizardry, catering; all need attention in the build-up. These people too, know who they are.

What brings them all together? Pride in a job well done, learning, camaraderie and FUN. We all take the job to be done seriously, and we all do it to the best of our ability. But a common string which runs through all of the preparations, and the events themselves, is learning, camaraderie, and FUN.

Think about it, without that last element, I'd suggest that none of it would happen at all? Sometimes, it being FUN is hard to believe when things don't go exactly as planned, but it's a learning curve – a challenge well worth rising to. And to be part of the team responsible for, just, some of the spectacle which the County Age Group Championships represents gives an immense sense of pride.

We hope that you'd agree. Thank you to all those who have made 2025 happen. Might you consider joining that group in helping to make 2026 happen? You'll be made welcome - and there will be laughs along the way.

To use a well-worn but apposite* phrase; "You don't learn to swim on the poolside". And you don't make it happen from the sidelines or the balcony.

LASA needs support from fresh, new people, to make it all happen in 2026 and beyond.

David Lander

President LASA

* I had to check on the meaning of 'apposite' too!

LASA Age Group and County Championships 2025 Weekend 3 – 8th & 9th February at Braunstone L.C.

Weekend 3 from LASA Chair

As we come to the final weekend of our Championships, I want to thank all concerned for their support over the last two weekends. At times it has been very hectic both on the poolside and on the balcony.

I especially want to thank the parents who endured trying to get a seat both on Saturday and Sunday last weekend, especially the parents who gave up their seats to ensure that parents were able to see the races they had come for. I do hope that we managed for all parents to see their swimmers.

As you know both your clubs and the County are always looking for volunteers. It takes many volunteers to successfully run an event and what I have found very good this year is the way clubs have come to the rescue for those clubs unable to offer enough volunteers.

Finally, well done to our swimmers. I have heard so many saying they have achieved PBs. It is not always about the winning but just being able to improve on times.

As the County Championships draw to a close for this year, I hope that all swimmers have achieved what they wanted and wished for and those who will be competing at Regionals during the year the very best.

Thank you all very much
